Commanders Message John Bellinger, SN

This past month we celebrated our Squadron's 15th Charter party at Coronet Bay. The weather was a little bit windy with rain

thrown in to make it interesting. But as good Northwesterners we put up a tarp on the west end of the shelter and carried on.

We had hotdogs and hamburgers provided by the squadron and cooked to perfection by Deanna and Kari on their Coleman grill. As usual we had lots of food provided by our great cooks in the group. We also had a very large double chocolate cake which sorely tempted George Johnson to abandon his diet. He finally gave in and enjoyed a large piece. As the day progressed the weather became sunny and pleasant. I really enjoyed visiting with everyone who attended although I missed seeing a lot of our original charter members who normally show up.

Our meeting this month will be on Thursday the 11th at 6:00 PM at the Farmhouse Restaurant.

We will be hearing from our District commander I believe about co-op charting. I hope all of you will come and join us for dinner and a great program..

Education Department P/C Debbie Richey, AP

life abounds.

Welcome to Fall! This is one of the best time of the year to get out on your boat. Crowds are gone, marinas are nearly empty and the wild-

We are going to be teaching an ABC class on three Saturdays in November at Anacortes Marina. We could use some more instructors to just take one section of the course to teach it. The dates are November 3, 17 and December 1. Please come join us and share your boating knowledge with new and experienced boaters.

For years we have mentioned the fact that many of our courses were out of date. We have a new course that uses today's technology to it's fullest. Seamanship has now become Boat Handling. It has much improved graphics and videos as part of the Power-Point presentations. We are looking to teach it in January. It is currently being taught as a pilot through December.

Boating and Land-based Squadron Activities

P/C Donna Mason, AP

Boating Rendezvous Chairs Anton and Margaret Kerkhove have resigned from the squadron due to family and other obligations. We will miss them and wish them the very best.

Report on the Vancouver BC Canada 2-day trip September 7-8: Paul and I were joined by Carolyn and Glen Caporgno, Sandy and George Johnson and their friends Paul and Susie. Friday, we had a less-than 5 minute wait crossing the border and headed to Richmond for a special dim sum lunch at Kirin. After settling into our hotel, we explored a park and the Mount Pleasant neighborhood where we discovered a gelato shop giving free gelato to senior citizens! We managed to find room for dinner at Burgoo and walked back to the hotel. Saturday we drove to the Harbor Cruises dock in Coal Harbor to board Harbor Princess for a 5-hour Cruise, including lunch, through Vancouver Harbor and up the Indian Arm as far as Silver Falls, which one can only see from the water. Last month's "Bitter End" included some of our photos. Before heading back to the states we visited Amato's Gelato. Luckily there was just a short wait at the border heading back to the U.S. A good time was had by all!

Our last boating rendezvous for the year was October 5-8 at Rosario Resort thanks to hosts Kari and Deanna Randall-Secret on "Briongloid." It was Paul's and my first time staying at the resort's overnight facilities instead of on our boat.

UPCOMING ACTIVITIES through to our annual planning meeting next January:

November 10, Saturday, NEW land-based: Day driving trip to the NEW Nordic Museum and enjoy lunch in Seattle. Join Hosts Paul and Donna at the Nordic Museum, 2655 NW Market Street in Seattle's Ballard area. In addition to the museum's 5 galleries, there is a special exhibit "The Vikings Begin" with original artifacts, reconstructions, and archaeological discoveries from Upsala University's museum Gustavianum. Admission is \$15, or \$12 for Seniors 65+, students and youth \$10. After, we'll enjoy a pub lunch at Jolly Roger Taproom, 1111 NW Ballard Way at 14th Avenue NW. It is across the street from Captain's Supplies. Before heading home, you may want make it a full Scandinavian day by stopping at Scandinavian Specialties at 6719 15th Avenue NW. Carpooling is strongly encouraged. Let Donna know you're coming: donnajmason@gmail.com.

November 20-25, Thanksgiving Weekend RV Rendezvous at Fort Casey and Day Trips. Hosts Sandy and George Johnson announce a 6-day RV rendezvous at Fort Casey RV Park. Even if you don't RV, you can join the daily activities for exploring, shopping and lunch which include, weather permitting, a one-day walk-on ferry trip to Port Townsend, Langley lunch at Prima Bistro, and in Coupeville lunch at Toby's Tavern and/or ice cream. Interested in any or all? Contact Sandy or George Johnson at georgeandsandy@comcast.net.

December 8, Saturday, LaConner Lighted Boat Parade and SBSPS Holiday Party - Join us at 5 p.m. for drinks and dinner at LaConner Pub then watch the lighted boat parade. Arrive early or carpool as parking space is rare on the main street that evening. You can order off the menu. Chocolate cake dessert is provided by our Squadron. Let Donna know you are coming by December 1 at donna.jmason@gmail.com.

SAFETY 2017 Washington Recreational Boating Accident Statistics

By P/C Donna Mason, AP

The Washington State Parks Boating Program released an in-depth report on 2017 Boating Accidents. Here are a few of the statistics:

There were 174 vessels involved in 114 recreational boating accidents reported to law enforcement, including 15 deaths, 50 injuries and about \$1.28 million of property damage. When the cause was known, operator inattention was 23%, operation inexperience 15%, alcohol and/or drug use 9% were the top three.

The three primary types of accidents were: collision with a recreational boat 39%, collision with a fixed object 8%, and flooding or swamping 8%.

Alcohol and/or drug use was the leading contributing factor in fatal boating accidents. The second highest reason was operator inexperience.

Falling overboard is the leading type of accident in fatal boating accidents (50%). Next were capsizing (17%) and person ejected from a vessel (also 17%).

The vessel types in accidents were cabin motorboats 27%, open motorboats 25%, and personal watercraft 16%. Eighty-eight percent of vessels involved in accidents were motorized vessels. The non-motorized were split into paddlesports (8%) and other non-motorized (4%).

The most common vessel types involved in fatal accidents were kayaks 31%, open motorboats 25%, and cabin motorboats 19%. Vessels involved in fatal accidents are categorized as 47% motorized, 6% non-motorized, and 47% paddlesport vessels.

Of Boat sizes of the 174 vessels in all accidents, 80% of vessels were under 25'.

Operators in Accidents by Age:

11-20 = 11
21-30 = 20
31-40 = 12
41-50 = 18
51 - 60 = 20
61-70 = 18
71-80 = 7
81-90 = 2

Amazingly, operators in the 61-70 age group were 44% of the fatalities, much higher than any other decade category.

Fatal Accidents by waterway were: lake 51%, river 40%, Puget Sound 37%, and Pacific Ocean 5%.

The most common time to experience an accident is a Sunday in July between Noon – 2 p.m. Skagit County had 6 accidents, 3 injuries and 1 fatality. San Juan County had 14 accidents, 4 injuries and 0 fatalities.

Taking into consideration both motorized and non-motorized vessels, a person not wearing a life jacket means a person is 2-3 times more likely to have a fatal accident. The highest number of victims came from the “fishing/crabbing” category. Clearly, there is a great need for more boating education.

D/C Monem will be speaking at our October 11 dinner meeting on Coop Charting.

Classic t-shirts still available for \$10.00/each.

If you are interested in current year t-shirt, contact Carolyn Caporgno @ glencaporgno@frontier.com Orders less than 12 shirts will be at a higher cost according to t-shirt printer. **Less than 12:** Crewneck sweatshirts \$53.96, hooded pullover sweatshirts \$62.78, t-shirts \$46.72, long sleeve \$51.84 and polo \$53.94. 12 or more are around \$20/per shirt **less**.
