Trash Management Plan

M/V Messin'Around

Trash collection and disposal is supervised by the owner/captain, Robert F. Anderson or first mate, Margaret P. Anderson.

All guests and staff aboard will be oriented to the U.S. Coast Guard regulations in Trash Management prior to each voyage.

All persons boarding this vessel, be aware that under **NO** circumstances will any trash, plastic material, food, aluminum cans, bottles, etc, be thrown overboard.

There is a trash receptacle located at the lower helm station, at the galley and on the port side, main deck. Cans and bottles are recycled and have a special receptacle located port side main deck.

When a trash receptacle is full, the crewmember in charge will bag all material, secure the bag and stow it in the bridge.

After returning to port, the crewmember in charge will gather all trash and dispose of it properly in appropriate trash receptacles, i.e.: dumpster, recycling bin.

UNDER NO CONDITION WILL ANY TRASH BE THROWN OVERBOARD FROM THIS VESSEL.

If there are any questions concerning this policy please see the captain of this vessel who is also the trash plan manager.
