29 Jan—06 Feb, Seattle Boat Show, C Link Field / Chandlers Cove

**Happy Birthday to our Commander — Love to see you all get what you want at the boat show. Next meeting you all get to choose where you want to go this year.**

#### Commander's Message Kari Randall-Secrest, N

Happy New Year Skagit Bay! We've made it past the holidays and on to some really cold, but fantastically sunny weather for our first week of 2016. It was sure nice to see Mr. Sunshine for a few days in a row, and I hope he sticks around for a while as we head towards the 2016 boating season.

Speaking of the boating season, our annual planning rendezvous is fast approaching on Thursday, January 14<sup>th</sup> at 6:00 pm at the Farmhouse Restaurant. Bring your ideas and your calendar and join in the fun as we plan our events for the coming year. We will also be discussing and voting on a potential new fundraiser at a nearby I-5 rest stop where we would supply the coffee and goodies and man the booth for a weekend in 2016. We want to hear from you on this so be sure to attend on the 14<sup>th</sup> and let us know your thoughts on fundraising.

#### *Marine debris*

Isn't this a terrible sight? If you value the health of our local waters like I know you do, you won't want to miss our speaker for the upcoming February 11<sup>th</sup> meeting, so mark your calendar! We will be hearing from Nir Barnea who is the Pacific Northwest Regional Coordinator for the Marine Debris Program at NOAA. Nir's presentation will include an overview of marine debris: What it is, sources, movement, and types, marine debris prevention, removal, and re-

search with examples for each, marine debris emergency response with focus on the Japan tsunami marine debris, and finally, what can we do help address the problem of marine debris as individuals and a society.

Our Education Department finished up strong in 2015 and more classes are already scheduled for the coming year. Mike Wytychak will be kicking off the New Year by teaching our ABC class that starts January 26<sup>th</sup> at the Anacortes Marina. Way to go, Mike and all of our Education Department members! I'd like to acknowledge another Mike, Mike Connell, for all his work serving as our squadron Treasurer for the past year and a half. Unfortunately, Mike was unable to finish out his term this year so I would like to take this opportunity to personally express my immense gratitude to Bob Miller for temporarily taking over our Treasurer duties until Change of Watch occurs in April. You're a life-saver, Bob!

On that same note, I cannot stress enough how important it is to consider filling a bridge position this coming year. Your nominating committee is finding it difficult to locate new bridge participants so if you have ever considered helping out the squadron by taking a position, now is the time. I hate to think what could happen to Skagit Bay if we cannot fill our bridge next year. If everyone takes a turn at something, we can not only keep this squadron alive, but also make it thrive! We are currently in need of a Commander, Administrative Officer and Secretary. If you can help, or you would simply like more information about any of these positions, please contact one of our nominating committee members, Kelly Libby or Jean Miller. Let's make 2016 our best year yet!

### Education Department P/C Debbie Richey, AP

If you have been waiting for a Weather class taught by a retired weather service forecaster, Bellingham is teaching it at Bellingham Technical College.

Bob Jacobsen is a really great instructor and makes weather fun! I highly recommend this course and instructor. The course is \$85 for a member and \$125 for nonmembers. To register for the class and more information, this website has all the information: [Bellingham Technical College](#). They are also teaching Engine Maintenance and Advance Piloting.

We will be teaching ABC3 starting January 25. It will be taught two nights a week for three weeks. Contact Mike Wytychak for more information.

### From the Membership Chair Debbie Richey, AP

#### Very Important!!

Our squadron is at a crossroads. We are struggling to find folks to help run the squadron. We all love the camaraderie of the people in the squadron, the great classes that are offered. But we are starting to stagnate. The great people that helped us get the squadron off the ground have done all that they can and it now time for someone else to step up. The time commitments are small for most positions. Please take a look at your schedules and see if you can't commit a couple of hours a month to help keep this great squadron going.

**Boating Activities**  
**P/C Donna J. Mason, AP**

Happy New Year! I hope you have great adventures on the water this year.

January 14 Squadron Members Meeting at the Farm-house Restaurant and Boating Activities Planning

I just know that one of your New Year's Resolutions was to add your ideas to the Rendezvous Planning Meeting and perhaps volunteer to be a rendezvous host!

Let's plan lots of squadron boating and other activities for 2016! Once we've all agreed on a plan, marina slips can be reserved, this year's squadron shirts will be available to order, and you can update your calendars.

Bring your calendars and suggestions for weekend rendezvous, other boating activities, and even some non-boating activities. Many of our members no longer have boats, but we enjoy getting together anyway. Where is your favorite weekend rendezvous spot? Do you prefer marinas with hook-ups or remote settings? Are you first timers? Are you seasoned boaters ready to try a new location? Can you do day-trips only? Do you want to know what's involved being a host? Tell us your thoughts, ideas, and preferences. What did you think of the last couple years' activities? What was missing? What should we add?

We'll have guide sheets, tide tables and marine charts to help in planning. I have some firm dates for festivals we've enjoyed in the past. By the end of the meeting, we'll have a plan for the 2016 boating season!

Looking forward to seeing you there!

**Squadron members donate \$200 to Skagit Valley Neighbors in Need**

Things went a lot more smoothly for our Squadron Holiday Party at LaConner Pub this year. Not so much so for the decorated boats who had to fight a strong wind and opposing current. Some boats traveled a bit sideways up the channel, but we all enjoyed their efforts. At the party we collected for the Skagit Valley Neighbors in Need and amassed \$200 to contribute to this worthy organization. Thanks to all the generous Squadron members! Happy New Year To You All!

**“The Boat Show, The Boat Show, The Big Seattle Boat Show”**

**We would love to see everyone make it. This is a great place to find the ideas for what you want to take on our next rendezvous. You can play with the USPS Small Boat Handling Simulator. Or buy that big sale item!! Starts end of month.**

**ASSORTED PHOTOS OF THE FUN WE ALL HAD AT LACONNER LIGHTED BOAT PARADE. THANKS TO LACONNER PUB FOR A GREAT TIME — SEE MORE ON NEXT PAGE**

### ~ General Meeting Information ~

Our General Meetings are held monthly on the 2nd Thursdays of each month (except July & August), at The Farmhouse Restaurant, corner of SR20 and La Conner-Whitney Road. Greetings and social time starts at 1800 with dinner at 1900. Meeting is normally held just before dinner. When a program is available it usually starts about 1930. The meeting is sometimes moved to another date or venue for special occasions, but that will be advertised in the newsletter or an email notice.

### Ships Store

Did you know that our ship's store carries embroidered shirts, hats with our burgee on them, and burgees for your boat! Be sure to let me, Sheryl Wytychak, know if you would like a new shirt or hat! Make sure to check out the National Ship Store also: <http://store.shopusps.org/>.

**New ship store keeper! See Sheryl Wytychak for all your squadron attire and flag needs.**
