### Commanders Message Carolyn Caporgno, S

Happy Fall! As I write this article I look at the positives our group has had this year. Some were able to attend the D16 Rendezvous in Poulsbo, as well as the Deer Harbor Rendezvous in June. We enjoyed fellowship and food at Coronet Bay Crab Feed---oh the crab, oysters, salads and desserts! A small group met at the home of Paul and Donna for a Lake Whatcom potluck—more great food. The Anniversary Cookout will have come and gone by the time this newsletter is published yet another opportunity to visit with friends. We have held two in-person general meetings with speakers and there will be a third in October. Dan Niven and his wife Elizabeth will take the D16 End of Season Cruise Adventure from Anacortes to the San Juans September 30 - October 6. Looking forward to hearing from them at our next general meeting. Yes, we are a boating education and service organization, but we have had a lot of fun despite these current circumstances.

**News from National:** A new **marketing** initiative “Boat with Confidence” has our organization approach boat manufacturers to help provide classes to new boaters. What a better to start than the initial place where a person buys their first boat, boating dealerships. Watch for more news on this. **By law changes** have been approved to allow

the squadron nominating committee to chose from its membership for Bridge positions, without nominees holding prior positions on the Bridge. Rational for this is that a squadron may have a member who has prior experience that may qualify them for Bridge office, i.e., former accountant to hold the position as Treasurer or former CEO to hold position as Commander. America’s Boating Club app is now a **FREE** download for your phone. It will give you weather and emergency information. Check this out. Finally, if a squadron dissolves it may pass its assets to another 503c organization. Watch for more news on these changes from National. See you at the Farmhouse, October 14, 2021.

### Guest Speaker

David Pate is in the process of retiring as a partner of the San Francisco Bar Pilots and is returning to live in his native Washington State. He will speak about experiences leading up to and being a Bar Pilot, add some sea stories, as well as a few wry off-the-cuff comments. He’s had an interesting life, and you will want to hear about it. Check out the website: <http://sfbarpilots.com>

## **Educational Department Lt/C Mark Richey SN-IN**

Hello members. Its getting close to the time to teach our ABC class. Unfortunately at time of this article we have no takers. The cutoff date to register is this coming week. I am thinking if this does not work at this time we will move it to a 2 Saturday class sometime around the first of year. I am not sure why this is not working. It went out to all the squadrons and newspaper around the first week of September.

There are still some things I would like us to think about. The Squadron offers all kinds of different classes on different boating related subjects. I would like to know what you would like to learn and if we have it I will put it on the agenda for a spring class. We do offer up through celestial navigation but that is a bit much to teach via zoom. The squadron does own a whole bunch of sextants however and some of the reduction tables if you would like to try some things on your own. Just let me know.

Most of the local squadrons offer classes through the year and we can take them from anyone. If there is a local, in-person class or a zoom class from anywhere, I will forward you the info via email.

Be safe out there!

## **Squadron Activities**

By P/C Donna Mason, AP

### **RECENT DOINGS**

Dan Niven, Elizabeth Mahoney, and Honey Bear in "Harmony" joined the Seattle and Everett Squadrons' Rendezvous to Port Townsend Labor Day Weekend.

Mark and Debbie Richey have been traipsing all over the San Juans, and beyond, in their sailing adventures this summer.

Over 20 of us enjoyed the 18<sup>th</sup> Squadron Anniversary Cookout at Cornet Bay at Deception Pass on Saturday, September 25. Dan Niven, Elizabeth Mahoney and Honey Bear arrived on "Harmony" and had to use their inflatable kayaks (dog included) to get to shore since the land end of the pier was missing! We understand replacement is now underway. Cdr. Carolyn and Glen Caporgno did a great organizing job, assisted by George Johnson and John Bellinger grilling yummy, juicy burgers. As is a trait of this squadron, there was an abundance of food choices for the potluck sides and desserts. Plus, we had our traditional half-sheet chocolate cake to add on more calories. The weather was one of the best for our anniversary celebration.

### **UNDOINGS**

Unfortunately, conditions beyond our control force the cancellation of Leavenworth Oktoberfest, which was downsized to only a street fair and bus excursions are nonexistent this year.

The Canada Weekend Trip for November is also cancelled. It is too complicated, or impossible to get across the border these days.

Stay tuned for the status of our Holiday Party in December.

### **ON THE BRIGHT SIDE**

Be sure to attend our October Members Meeting, October 14 at The Farmhouse. We'll enjoy sea stories and other tales of an in-process-of-retiring San Francisco Bar Pilot! Should be interesting!

D16 Squadron Commanders and Bridge Meeting  
September 20, 2021, 6:30 p.m.  
RE: National Governing Board Meeting and Bylaw Changes

Prior to meeting comment: Friday Harbor is doing blended ABC class (Ken Smith)  
**Ken Smith, D16 Commander reported National Bylaw changes:** Educational Officer and Assistant Educational Officers no longer need approval from National for these officers. The same goes for Commander and other Bridge officers. This should help the Nominating Committees readying for 2022 nominations. The rationale was that your squadron may get an experienced person who could go into Commander before holding other office due to their professional background. This will **stay the same**, if a squadron dissolves, the monies can go to another 503c as directed by the squadron.

**Annette Ferguson** Finance Committee suggested that National be more financially smart. Annette brought up “\$3.00 processing fee” on our bills. She paid it, but still questioned the fee. (We paid it, too, as well as Ken Smith) It was determined by the Rules Committee as a bylaws violation. Watch for more news on this.

**Ken** commented that National will end up in the **black** as they received an infusion in cash from the Educational Fund.

**National Marketing News:** New initiative “Boat with Confidence” approaches boat manufacturers to help pay/provide classes. Grady White dealer (one of which is in Edmonds, WA) was mentioned. Also, put ABC flyers at boat dealers. West Marine was recently bought by Financial Company (more to come).

**Trainer Software for Educational Opportunity:** This is the same as virtual trainer but goes on your laptop. It has a gaming platform—gamer orientated. Challenge: It requires a higher level of processor. It should be available after the first of the year at about \$150.

**Jim West, D16 Educational Officer:** SEO and Squadron Marketing Chairperson should be working together to get information out to the public. (My side comment: I just saw an example of this between Donna and Mark with Donna posting ABC class as an information article on FB--- 😊)

**Announce to ABC and Boat Handling Classes:** You can get an America’s Boating Club app **FREE** on your phone giving you weather and emergency information at your fingertips.
