Commanders Message Carolyn Caporgno, S

Hello Boating Friends. Plan on a **BBQ** for our **June 9 General Meeting, 5-9 p.m.** to be held at the Shelter Bay Community BBQ covered shelter next to the Clubhouse. There is plenty of seating at outdoor tables, so bring a friend who is interested in boating. Bring your own meat to grill and a side dish to share. We have the charcoal and lighter fluid. We will provide mustard, ketchup, relish, mayo, BBQ sauce and cold drinks as well as plates, cups, plastic utensils, and napkins. **Please R.S.V.P. for purchasing purposes to glencaporgno@frontier.com**

Look over our list of upcoming boating/land activities and make your reservations early whether traveling by boat or land. I have found that folks are ready to get out and travel. Book dock and ferry reservations as soon as possible, and hotel reservations if you don't have a boat.

Did you need a vessel safety check this year? Don Coleman, our qualified examiner, has agreed to do your free vessel safety exam for 2022-2023. You can contact him at colemandonb@gmail.com or (360)333-2962

Talk to your friends and family about getting their Washington State Boater Education card through

our ABC class. This card must be in a boater's possession when operating a power boat with a 15 horsepower or greater. Talk to Mark Richey, Education Officer, if you are looking for other course offerings this year.

If you would like to attend our **Executive Committee** meeting this month, it will be at the Burlington Haggen's in the deli dining area at **6 p.m. on Thursday, June 2.**

Derelict Crab Pots in Cap Sante Marina and Guemes Island Areas

by P/C Donna Mason, AP

I read about the Northwest Straits Foundation's plan to retrieve derelict crab pots in the May 6, 2022 edition of "The Bellingham Herald," and got some information from the Foundation's website. The Foundation is located in Bellingham, WA.

Before mid-July when recreational crabbing usually opens, the Northwest Straits Foundation will use sonar and divers to locate and remove derelict crab pots in Late May - early June. It is estimated that 12,000 crab pots are lost in the Puget Sound each year, and about 70% of those are from recreational crabbers. It is estimated about 180,000 harvestable male crabs are lost each year. Think of all those crab feeds we could have had!

The Foundation has launched its "Catchable Crab Ad Campaign" to educate recreational crabbers. Their website "www.nwstraitsfoundation.org" provides helpful tips for successful crabbing, videos such as "Tips and Tricks to Catch More Crab," and other informational resources. They also are working with the commercial crabbing industry.

June 22-26 D16 Rendezvous, Poulsbo

By now I'm sure you've made your reservations for the weekend. Check the D16 website for details.

July 8-10 Blind Bay Marine State Park, Shaw Island Anchor Out

Mark and Debbie Richey will provide details.

July 16 Shipwreck Day, Anacortes

Well, we're up for it again. Donate quality items for our fund-raising and educational-awareness double booth at this amazing street fair. It is our one-and-only fund-raising event for our squadron. The coffers are getting low, so we'd appreciate your participation. After the 4 p.m. clean up, the group will have dinner, probably at a Mexican restaurant close by. George and Sandy Johnson are heading up this effort and will give us more information closer to the date.

July 22-24 Bell Harbor Marina, Seattle Rendezvous, Aquarium Visit and Mariners Game By Boat or By Car

What a super weekend! Join us at Bell Harbor Marina in Seattle. Contact the Harbormaster's Office at 206 787-3952 to reserve your boat slip. The Harbormaster has our group under "ABC of Skagit Bay." Some members will come by car. The street address is 2203 Alaskan Way. Friday, there will be a potluck of light appetizers and BYOB happy hour on the dock at 5 p.m., followed by 6:30 p.m. dinner at Anthony's Pier 66 at 2201 Alaskan Way, followed by a baseball-themed dessert back on the docks to end the evening. Saturday morning we'll gather in front of Seattle Aquarium at 9:20 a.m. to have a "behind the scenes" tour of the Aquarium on Elliott Bay at 1483 Alaskan Way, Pier 59. We'll root for the Mariners to beat Houston at the 1:10 p.m. game, followed by dinner on your own. You can recover Sunday morning before heading for home port. Dan Niven and Elizabeth Mahoney are hosting the activities weekend, and Debbie and Mark Richey are hosting the baseball game. Contact Debbie Richey at drichey@rocketmail.com by June 11 to get your Mariner's tickets. She'll get us seats together and avoid the processing fee!

August 26-28 Deer Harbor Marina, Orcas Island Rendezvous, hosted by Mark and Debbie Richey. Join us for the weekend or a Saturday day trip when we will have a cookout on the marina dock, then you can have some yummy Lopez Island ice cream! Go to <http://www.deerharbormarina.com/> and click on the green box to reserve your slip.

September 2-5 Labor Day Weekend Rendezvous with Seattle and Everett Squadrons. See flyer next page.

Summer Reading

Are you looking for a boating related book to read this summer? How about this one? Island of the Lost by Joan Druett. It is nonfiction pieced together from memoirs and historical accounts of two shipwrecks in 1864 off New Zealand's Auckland Island.

Hope you all have great and safe times on the waters this boating season!

Deer Harbor has 3 slips with our name on them for the August 26-28 Rendezvous. When you reserve, go to <http://www.deerharbormarina.com> and use the reservation button to make reservation with DockWA. In the comment section put "Skagit Bay Sail and Power Squadron."

Annual Labor Day
America's Boating Club
Point Hudson Joint Rendezvous
September 2 - 5, 2022

Mark your calendar and make plans to head for our season finale joint rendezvous with PNW America's Boating Club members over Labor Day weekend. We've reserved Point Hudson's Marina Room Saturday, September 3, so expect great meals, social time and educational opportunities that day with ABClub friends old and new.

This is always a well-attended gathering with enough activities to make everyone happy, plus many local attractions. If you're not a boater or RV'er and want to attend, make a reservation now at one of many local inns or nearby private accommodations.

Don't delay, these spots go quickly! There is a one-time, \$11.00 non-refundable marina/RV reservation fee required to secure your spot.

To make a reservation, go to the website <https://portofpt.com> and choose the icon that says either Point Hudson Marina or RV Reservations. Follow the directions and input your information to reserve a spot. If you have difficulty making the reservation, email Jennifer at pointhudson@portofpt.com. They've had some technical issues with their reservation system lately, so please be persistent and patient.

Once you've secured a reservation, PLEASE send Darcy Baker, AP, America's Boating Club of Snohomish County, an email at thebakerfamily4@comcast.net so she knows how to contact you and what slip/space/lodging you've reserved. She will add you to the list and keep you informed of activities, volunteer opportunities and other pertinent information as we get closer to the date. Don't hesitate to contact her via email with any questions you may have about this rendezvous.

"You are all aware of the Amazon Smile program where Amazon customers can designate a non-profit organization to receive a donation based on the amount of money they spend on Amazon. Well, Kroger, Inc operates a similar program. They call Community Rewards. I am working on the application for the squadron to become a participating organization and able to receive donations. As soon as I have confirmation from them that SBSPS has been accepted I will let you know and you can update your customer profile to designate the squadron as a Community Rewards recipient.

Here in the Puget Sound are we have two choices of Kroger stores at which to shop, Fred Meyer and QFC. If you aren't already a member of their customer loyalty programs, please consider participating and helping increase our meager squadron revenues.

Treasurer Jack"

The meeting started at 1830 at The Farmhouse Restaurant.

Marketing – Marketing will have a planning meeting in June. This is to plan for promoting our squadron. Donna passed around a signup sheet if you want to participate. May 20 is wear your life jacket to work day. Donna suggested wearing it everywhere. George Brooks reported on the spreadsheets he created for marinas, boat dealers, yacht clubs, yacht brokers and boat builders. George is currently working on saltwater launching areas. George Johnson reported the signage. 8 of the aluminum signs have been placed around Anacortes at marinas. Mark Richey placed two at the LaConner fuel dock. We probably won't be spending any more money on signs. Mark is working with Camano Island State Park on placing a sign at the boat launch.

Educational Officer Report – Mark Richey is mentoring Adam Dietz on what to teach. They are looking at possibly teaching the radar seminar this fall. Mark is looking to teach ABC later this year.

Administrative Officer – HELP WANTED!

Programs: June meeting will be a dinner picnic at Shelter Bay picnic shelter. Meeting will start at 5 until 9 pm. Bring a meat to grill and a side dish or desert.

Membership: No new members

Squadron Activities - June 24-26 is the District Rendezvous in Poulsbo. July 8-10 is the Blind Bay Anchor Out (maybe cancelled), July 16 is Shipwreck Day (George is looking for items that have a higher dollar value), July 22-24 is Bell Harbor and Mariners Game (Aquarium Tour behind the scenes on Saturday Morning, Saturday dinner at 1830 at Anthony's at Pier 66,), August 26-28 is Deer Harbor. We are on the books for the LaConner Christmas Boat Parade at the LaConner Pub.

Secretary: - There was a correction to the minutes to correct Jeanne Brooks name for the April meeting minutes. Minutes were approved as corrected.

Treasurer: Jack Dyer reported bank account balance of as of April 30, \$xxxxxx

Commander: Carolyn Caporgno – Reorganization Town Hall Meeting discussed presenting hybrid courses, virtual and in person, and just virtual. There were several topics discussed. One item of importance was keeping the districts and not going to a regional approach. National wants to promote more on the water activities to attract members. They still don't have a definition of what the target audience is for our marketing efforts. Several folks think that the schedule is just too aggressive. George Brooks suggested hiring a consultant to take it over instead of volunteers.

Old Business – If you use the Office Max discount, you now need a code from your smart phone. Check out USPS.ORG for more information.

New Business: Don Coleman is once again a Vessel Safety Examiner for our squadron again. Thank you Don! He's already very busy. He could use some help.

Sandy Johnson presented Carolyn a gift for being commander the past year to The Book Company.

Meeting was adjourned at 1905.
