05 May— ExCom Meeting, Burlington Haggen, 6PM

12 May— Regular Meeting, Farmhouse, Program, 6PM

21-27 May—National Safe Boating Week

If you want a say in or take notes on the upcoming USPS Townhall Meeting about the tentative reorganization, an email with link will be sent out to current members. Don't forget to attend our next meeting. There is a great guest speaker. See his BIO in Donna's article below.

### Commanders Message Carolyn Caporgno, S

Hello Boating Friends. Looking forward to seeing you at this month's General Meeting. David Pate will be our guest speaker. He will speak about his experiences leading up to and being a Bar Pilot, add some sea stories, as well as a few wry off-the-cuff comments. David had an interesting life, and you will want to hear about it. Check out the website: <http://sfbarpilots.com>

Did you need a vessel safety check this year? Don Coleman, our qualified examiner, has agreed to do your free vessel safety exam for 2022-2023. You can contact him at [colemandonb@gmail.com](mailto:colemandonb@gmail.com) or (360)333-2962

Talk to your friends and family about getting their Washington State Boater Education card through our ABC class. This card must be in a boater's possession when operating a power boat with a 15 horsepower or greater. Talk to Mark Richey, Education Officer, if you are looking for other course offerings this year.

If you would like to attend our **Executive Committee** meeting this month, it will be at the Burlington Haggen's in the deli dining area at **6 p.m. on Thursday, May 5**. (Yes, we changed back to our regular time now that it stays light out later.)

Plan on a **BBQ** for our **June 9 General Meeting** to

be held at the Shelter Bay Community BBQ shelter next to the Clubhouse. Bring your own meat to grill and a side dish. There is plenty of seating at outdoor tables.

### Educational Department Lt/C Mark Richey, SN-IN

Hi members. Short education article this month to get started for new bridge. Don't have plans for a summer class however any member can take classes from any other squadron and I will forward class invitations to you all as I get them.

As far as our plans for upcoming classes, Adam and I are considering seminars or "home brew" classes sometime in early fall. We are looking into the technology to make that painless. Its also possible and hopeful that online classes wont be needed as everyone will feel safe sitting in a classroom.

We are also considering a elective or advanced grade course for the winter, January or February.

If you have some ideas of what you want to learn please let me know.

## Squadron Activities

By P/C Donna Mason, AP

Did you notice we had a full moon for Change of Watch? No wonder we had such a good time! It was nice to see D/C Kenneth and Pat Smith, P/D/C and Secretary Barbara and her great photographer and single malt scotch aficionado Steve Erickson as well as many squadron members at the newly remodeled Farmhouse. We are grateful that Cdr Carolyn signed on for another year. Let's all help her with speaker ideas since we don't have an Admin. Officer this year.

I'd like to thank Cdr Carolyn, ExCom and the Squadron Members for the wonderful surprise gift certificate I received at C-O-W for being your Squadron Activities Chair for many years. I had to look it up, and I think I began January 2009. Paul and I have enjoyed our many experiences with our squadron members. I wouldn't mind passing the baton to someone else, after 14 years. If you would like to be the Activities Chair, please let Cdr. Carolyn Caporgno know.

Some of you know landscape gardening is another one of my passions (alas, our property is too shady for growing vegetables). So, I used the Christianson's Nursery gift certificate to buy a Japanese maple or some interesting shrubs.

Hope you make our May Members Meeting on May 12. David Pate, recently retired partner of the San Francisco Bar Pilots and is returning to live in his native Washington State. He will speak about experiences leading up to and being a Bar Pilot, add some sea stories, as well as a few wry off-the-cuff comments. He's had an interesting life, and you will want to hear about it. Check out the website: <http://sfbarpilots.com>. He, his wife Sarah, and their yellow lab "Hudson" spent the winter at Lake Tahoe and experienced "Snowmagedon" with 14' of snow in a short time. These days, they motor on the waters of Lake Whatcom in a 1961 Cavalier Criss craft. Dave recently bought two more boats in one day: a 1991 Master Craft ski boat and a 24' steel pontoon "patio boat" to use as their work barge as they settle into their lakefront property (with perhaps a cocktail hour cruise or two). Dave plans to end his talk with a group effort, customized sea shanty. You won't want to miss it!

May 20 is Wear Your Life Jacket to Work Day. I amend it to "Wear Your Life Jacket Everywhere Day." It is a great excuse, wherever you go that day, to begin a conversation about boating safety. Even if someone looks at you strangely wearing a PFD many miles from water, you can bring up the subject.

June 22-26 is the D16 Rendezvous in Poulsbo. Information was previously published in "The Bitter End," and an email registration form was sent to members. Hope you have a good time!

July 23 Seattle Mariner's vs. Houston baseball homegame, Mark and Debbie Richey will coordinate our group attending the game in conjunction with the Bell Harbor Rendezvous. Members can come for the day or some may want to make a weekend of it, staying in a hotel.

August 26-28 Deer Harbor Marina, Orcas Island Rendezvous, hosted by Mark and Debbie Richey. Join us for the weekend or a Saturday day trip when we will have a cookout on the marina dock, then you can have some yummy Lopez Island ice cream! Go to <http://www.deerharbormarina.com/> and click on the green box to reserve your slip.

September 2-5 Labor Day Weekend Rendezvous with Seattle and Everett Squadrons, location TBD. The original plan was to return to Port Townsend; however, marina space already was booked, so the joint squadrons are researching another location. They promise they'll notify us of their plans.

Annual Labor Day  
America's Boating Club  
Point Hudson Joint Rendezvous  
September 2 - 5, 2022

Mark your calendar and make plans to head for our season finale joint rendezvous with PNW America's Boating Club members over Labor Day weekend. We've reserved Point Hudson's Marina Room Saturday, September 3, so expect great meals, social time and educational opportunities that day with ABClub friends old and new.

This is always a well-attended gathering with enough activities to make everyone happy, plus many local attractions. If you're not a boater or RV'er and want to attend, make a reservation now at one of many local inns or nearby private accommodations.

**Don't delay, these spots go quickly!** There is a one-time, \$11.00 non-refundable marina/RV reservation fee required to secure your spot.

To make a reservation, go to the website <https://portofpt.com> and choose the icon that says either Point Hudson Marina or RV Reservations. Follow the directions and input your information to reserve a spot. If you have difficulty making the reservation, email Jennifer at [pointhudson@portofpt.com](mailto:pointhudson@portofpt.com). They've had some technical issues with their reservation system lately, so please be persistent and patient.

Once you've secured a reservation, PLEASE send Darcy Baker, AP, America's Boating Club of Snohomish County, an email at [thebakerfamily4@comcast.net](mailto:thebakerfamily4@comcast.net) so she knows how to contact you and what slip/space/lodging you've reserved. She will add you to the list and keep you informed of activities, volunteer opportunities and other pertinent information as we get closer to the date. Don't hesitate to contact her via email with any questions you may have about this rendezvous.

P/C Donna Mason, AP  
Squadron Activities Chair

"You are all aware of the Amazon Smile program where Amazon customers can designate a non-profit organization to receive a donation based on the amount of money they spend on Amazon. Well, Kroger, Inc operates a similar program. They call Community Rewards. I am working on the application for the squadron to become a participating organization and able to receive donations. As soon as I have confirmation from them that SBSPS has been accepted I will let you know and you can update your customer profile to designate the squadron as a Community Rewards recipient.

Here in the Puget Sound are we have two choices of Kroger stores at which to shop, Fred Meyer and QFC. If you aren't already a member of their customer loyalty programs, please consider participating and helping increase our meager squadron revenues.

Treasurer Jack"
